

IMPORTANT BOOKING INFORMATION

Independent Tours

Rocky Mountaineer rail vacations are independent, except for escorted tours (pages 51 to 60), giving you the freedom to explore on your own with the comfort of knowing that all arrangements have been made for you.

You will be provided with:

- a detailed itinerary
- directions, addresses and start times
- vouchers for all services

Rocky Mountaineer Guest Service Staff are available to help you in most destinations, and friendly assistance is never more than a phone call away.

Meals

On all Rocky Mountaineer routes, breakfast and lunch are served onboard each day. Should you wish to pre-purchase all other breakfasts and dinners, prices are available on request. Meal plans may not be available at all hotels. You will dine each evening either from your hotel restaurant's à la carte menu or from a specially designed Rocky Mountaineer Vacations menu.

Motorcoach Tours

We are proud to offer rail vacation guests the comfort of our fleet of motorcoaches based in Banff. All sightseeing tours in the Canadian Rockies include friendly driver-guides who offer interpretive commentary along the way. Motorcoaches are restroom-equipped.
