

**Upgrading**

Please note that if you have booked and paid for a particular car type and on arrival you are offered 'an upgrade', you will be required to pay extra for it! You would also pay more for the upgrade locally than if you had originally paid for the bigger car.

**Driving Areas**

Cars can be driven in any province of Canada but must be returned to the location from where it was rented from in Canada or a one way fee applies. No One way rentals are allowed into the USA unless a prearranged drop off location has been made. Driving on roads that are not government maintained or unpaved roads, voids the contract and the CDW/LDW. The customer will be fully responsible for any damage done to the car, up to the full value of the vehicle.

**Seatbelts and Child Restraint seats:**

Provincial laws require the use of seatbelts and child restraint seats.

**Partially used Vouchers and No Shows**

Refunds will not be made for partially used vouchers. A "no show" penalty will be assessed and you will be billed if you cancel without notice prior to departure. All car rentals are subject to the conditions of Alamo Rent-A-Car/National Car Rental.

**Important**

All car hires are subject to the legal terms, conditions and pricing procedures of Alamo and National Car Rental in effect at the time of the hire. The above information is correct at time of printing. In the event of subsequent enactment of any law in the United States or Canada, whether federal, state or local, which restricts or prohibits any of those terms, conditions or pricing procedures, Alamo's and National's terms, conditions and prices will be subject to adjustment to the extent necessary to compensate for such restriction or prohibition.

**One Way Rentals**

One way hires must be confirmed in advance and your Travelpack consultant will advise you of the cost at time of booking. Cars picked up at an Alamo location must be returned to an Alamo location and cars picked up at a National location must be returned to a National location. Economy cars can never be booked for one way hire. One way hires between USA and Canada are not permitted.

**National Car Rental One Way Rentals**

All one-way rentals with National must be booked in advance and are subject to availability. One-way rentals are restricted to rentals between National Canadian locations. Drop off charges may apply and are payable at the time of rental.
